ABOUT

DR. EDMUND
ADJAPONG

Dr. Edmund Adjapong is an Assistant Professor of Education at Seton Hall University. He is also a faculty fellow at The Institute for Urban and Multicultural Education at Teachers College, Columbia University and author of *#HipHopEd: The Compilation on Hip-Hop Education Volume 1*. Dr. Adjapong is a former middle school science educator at a New York City public school in The Bronx. He is the director of the Science Genius Program, a program that engages urban students in the sciences through Hip-Hop, and the

director of The Science Genius Academy, a program that encourages and prepares students to pursue STEM careers while providing mentoring and support. Dr. Adjapong is a STEM and Urban Education advocate whose work and research addresses issues of race, class, inequities in education and misperceptions of urban youth. He focuses on how to incorporate youth culture into educational spaces. Dr. Adjapong has experience conducting seminars and workshops for businesses and universities.
